*Howard,
Prakash's verse is
wonderfully expressive --
I suggest you also
select it for the "Sound of Poetry"
- C.S.*

Dear Prakash,

I am delighted to inform you that your poem "Borrowed Wings" has been awarded our prestigious Editor's Choice Award because it displays a unique perspective and original creativity -- judged to be the qualities most found in exceptional poetry. Congratulations on your achievement.

Your poem is also featured in a Deluxe Hardbound Edition, which, as expected, will soon be sold out. We have, however, reserved a limited number of copies that are now available only to poets included in this distinctive volume. Because you are one of these poets, and if you haven't already ordered a copy, or wish to obtain additional copies, this is your last opportunity to do so.

Oh, and one final note. Many people have asked if we can make available a commemorative plaque to present their poetry in formal fashion. We are glad to be able to do this. Your poem can be beautifully typeset on archive quality vellum with your choice of borders, then mounted on a walnut-finish plaque under lucite. The 10 1/2 by 13 inch plaques are truly impressive ways to exhibit your work. They also make wonderful gifts. Please see the enclosed material for further information. Again, congratulations on your achievement.

Where Am I

© Prakash Poudyal

Where Am I, siren rings all the time.
Men kill men waiting the small night.
Birds never come near to the men.
If they do so, will be killed then.
Where Am I, the hearts are also sold.
Smile and welcome is latched by a bold.
Men never share love to the deeper heart.
If they do so, will be the joke of an art.
Where Am I, the body are purchased.
To get the victory missiles are lunched.
She never select the way of mine.
If they do so, will be loosing the time.

Excellent poem.

"Portrait in Verse"

This poem is very special to me, as it commemorates someone who was very important in my life: my grandmother. Her courage and strength have been inspirational to me, and this verse is my way of immortalizing her and sharing her life with the world. I hope that others who have special people in their lives can relate to my love for my grandmother, and perhaps share my poem with their loved ones.

"Family"

I feel that poetry is a gift, one that my mother gave to me, and that her mother gave to her. My poem "Family" talks about this poetic heritage. The women in my family have always expressed themselves in verse, and I am proud to be no exception. I enjoy writing poems for special occasions and as gifts to loved ones. Having the opportunity to tell someone "I love you" in a poem is a beautiful way to share one's innermost feelings.

Evening Sun

© Prakash Poudyal

The ocean and the evening sun,
 It says to celebrate the perfect fun.
 Wind comes and blows the boat,
 Ocean waves water in outer coat.
 Blue-sky and the evening cloud,
 It shows to pour the rain with loud.
 Rain falls and kisses the water,
 Blue-sky bothers all these matter.
 The ocean and the blue-sky,
 It tells to love our internal shy.
 Leaves gild and touch the feet,
 My and her heart intends to meet.

Let Me Win Let Me Smile

© Prakash Poudyal

Feel my life and understand my aim.
 Keep my life and always care my love.
 Always be with me always be my girl.
 Only you are my desire and the dream.
 Wish and pray all those may come true.
 No limit of age and also to the physical face.
 Without looking any race to the outer dress.
 When someone really loves looks only heart.
 May be it is only the way I feel about the belief.
 Make all my belief immortal and let me rest.
 Loneliness of the sky is my restless heart.
 Subliminal of the rain is mask of my voice.
 Giving all your breath and or all your voices.
 Make my heart and the voice meaningful.
 Reveal those abstracts and let me smile.
 The nature made me along left nothing.
 I feel lonely and start loving one to next.
 Everybody always could easily win on me.
 I always had to agree to loose them at all.
 Even being lost yourself please let me win.

Glimpse To Desire
© Prakash Poudyal

When I glimpsed you for the first time,
I couldnot imagine how important you were.
When I embraced you for first the time,
I couldnot pretend how short the times were.
Time changes as normal, days never change.
Belief changes sometime, loves remain same.
Place changes often, but hearts never change.
Fantasy changes seldom, desires remain same.
When I desired you for the first time,
I couldnot realize those feeble promise were.
When I kissed you for the first time,
I couldnot define how the tender these were.

Borrowed Wings

© Prakash Poudyal

I kept it as a treasure of my love
Made it as a secrete as a mystique
Could be drown as easily as a brick
It was a massive flaws of a dream
I used it as a glory to boast myself
Released it to let other to trust me
Would ruin the faith stuck beneath
It was well decent to defend back
No matter how many times I won
Countless attempts I carried away
Should be a victory for a moment
It was all my borrowed wings to fly

Ups And Downs With You

© Prakash Poudyal

When there are some ups for me
I will be gaining my faiths insides
When I smile inside my frail heart,
I have to kiss all your wetting lips
So just bare me a brief jolly smile.

If there is a life kept on in my soul
Time will throw me to the ecstasy
If I fall in a lake across the clouds,
I will hold you to swim till we tired
Please drag me soon up to a shore.

When there are some downs for me
I will be crying myself going away
When I cry really up to the loud,
I have to wipe your dripping tears
So just weep quiet for me a while.

If there is a dismal in my dreams
Evils will chase me for a long run
If I have to crawl in these dreams,
I will carry all your loves and you
Please push me firm for a moment.
