Sacrifice by Elton John

It's a human sign
When things go wrong
When the scent of her lingers
And temptation's strong

Into the boundary
Of each married man
Sweet deceit comes calling
And negativity lands

Cold cold heart
Hard done by you
Some things look better baby
Just passing through
And it's no sacrifice
Just a simple word
It's two hearts living
In two separate worlds
But it's no sacrifice
No sacrifice
It's no sacrifice at all

Mutual misunderstanding
After the fact
Sensitivity builds a prison
In the final act

We lose direction
No stone unturned
No tears to damn you
When jealousy burns

Cold, cold heart
Hard done by you
Some things lookin' better, baby
Just passin' through
And it's no sacrifice
Just a simple word
It's two hearts livin'
In two separate world
But, it's no sacrifice

No sacrifice
It's no sacrifice, at all

Cold, cold heart
Hard done by you
Some things lookin' better, baby
Just passin' through
And it's no sacrifice
Just a simple word
It's two hearts livin'
In two separate world
But, it's no sacrifice
No sacrifice
It's no sacrifice, at all

No sacrifice, at all
No sacrifice, at all
No sacrifice, at all
No sacrifice, at all

Another Day In Paradise by Phil Collins

She calls out to the man on the street
"Sir, can you help me?
It's cold and I've nowhere to sleep
Is there somewhere you can tell me?"

He walks on, doesn't look back
He pretends he can't hear her
Starts to whistle as he crosses the street
Seems embarrassed to be there

Oh think twice, cause it's another day for
You and me in paradise
Oh think twice, cause it's another day for you
You and me in paradise

Just think about it

She calls out to the man on the street
He can see she's been crying
She's got blisters on the soles of her feet
She can't walk but she's trying

Oh think twice, cause it's another day for

You and me in paradise
Oh think twice, it's just another day for you
You and me in paradise

Just think about it

Oh lord, is there nothing more anybody can do
Oh lord, there must be something you can say

You can tell from the lines on her face
You can see that she's been there
Probably been moved on from every place
'Cos she didn't fit in there

Oh think twice, cause it's another day for
You and me in paradise
Oh think twice, it's just another day for you
You and me in paradise

Just think about it
Just think about it

It's just another day for you and me in paradise
It's just another day for you and me in paradise
It's just another day for you and me in paradise

Just think about it

My heart goes shalala lala by Vengaboys

There's a boy in my mind and he knows I'm thinkin' of him
All my way to the day and the night the stars shine above me.
He's been gone for some time but I know I truly love him.
And I'm singing a song, hoping he'll be back when he hears it.

[Chorus]

My heart goes shalala lala, shalala in the morning.
Oh oh oh shalala lala, shalala in the sunshine.
Shalala lala, shalala lala in the evening.
Shalala lala shalala lala just for you.

If your love's gone away just like mine you feel like crying.
Sing along maybe once maybe twice, let's try it together.

Some sweet day no one knows he'll return and you'll be happy.
Shout it sweet in a song, listen to your heart it is singin'

[Chorus]

My heart goes shalala lala, shalala in the morning.
Oh oh oh shalala lala, shalala in the sunshine.
Shalala lala, shalala lala in the evening.
Shalala lala shalala lala just for you.

If your love's gone away just like mine you feel like crying.
Sing along maybe once maybe twice, let's try it together.
Some sweet day no one knows he'll return and you'll be happy.
Shout it sweet in a song, listen to your heart it is singin'

[Chorus]

My heart goes shalala lala, shalala in the morning.
Oh oh oh shalala lala, shalala in the sunshine.
Shalala lala, shalala lala in the evening.
Shalala lala shalala lala just for you.

Fast Car By Tracy Chapman

You got a fast car
I want a ticket to anywhere
Maybe we make a deal
Maybe together we can get somewhere
Anyplace is better
Starting from zero got nothing to lose
Maybe we'll make something
Me, myself I got nothing to prove

You got a fast car
I got a plan to get us out of here
I been working at the convenience store
Managed to save just a little bit of money
Won't have to drive too far
Just 'cross the border and into the city
You and I can both get jobs
And finally see what it means to be living

You see my old man's got a problem
He live with the bottle that's the way it is

He says his body's too old for working
His body's too young to look like his
My mama went off and left him
She wanted more from life than he could give
I said somebody's got to take care of him
So I quit school and that's what I did

You got a fast car
Is it fast enough so we can fly away
We gotta make a decision
Leave tonight or live and die this way

So remember we were driving, driving in your car
Speed so fast I felt like I was drunk
City lights lay out before us
And your arm felt nice wrapped 'round my shoulder
I had a feeling that I belonged
I had a feeling I could be someone, be someone, be someone

You got a fast car
We go cruising to entertain ourselves
You still ain't got a job
I work in a market as a checkout girl
I know things will get better
You'll find work and I'll get promoted
We'll move out of the shelter
Buy a bigger house and live in the suburbs

I remember we were driving, driving in your car
Speed so fast I felt like I was drunk
City lights lay out before us
And your arm felt nice wrapped 'round my shoulder
I had a feeling that I belonged
I had a feeling I could be someone, be someone, be someone

You got a fast car
I got a job that pays all our bills
You stay out drinking late at the bar
See more of your friends than you do of your kids
I'd always hoped for better
Thought maybe together you and me would find it
I got no plans I ain't going nowhere
So take your fast car and keep on driving

I remember we were driving, driving in your car
Speed so fast I felt like I was drunk
City lights lay out before us

And your arm felt nice wrapped 'round my shoulder
I had a feeling that I belonged
I had a feeling I could be someone, be someone, be someone

You got a fast car
But is it fast enough so you can fly away
You gotta make a decision
Leave tonight or live and die this way
